Regina Luminis Academy

Regina Luminis Academy is a private, independent school founded, with the help of God's grace, to assist parents in the education and formation of their children by providing a classical liberal arts education in the tradition of the Roman Catholic Church and the faithful to the Magisterium.

It is the mission of the Academy to promote and nurture the spiritual, intellectual, and physical growth and talents of its students through the time-tested classical liberal arts course of study. Students study and learn in a wholesome and rigorous academic environment. The Catholic faculty integrates the Magisterial teaching and Tradition of the Catholic Church throughout the curriculum.

In partnership with their families, students are taught to be effective Catholic citizens and leaders. They are taught to know, love and serve God and neighbor, aware of their ultimate purpose in life—eternal happiness with God in Heaven.
